Public Materials

The screenshot shows the SEOS LMS interface in a Mozilla Firefox browser window. The page title is "All public materials :: SEOS LMS - Mozilla Firefox". The main content area displays a table of public materials. The table has the following data:

Title	Description	Courses	Filename	Type	Size
Highway	into the distance. Uploader: Admin User	Not used in any courses		image/jpeg	1.2 MB
136072713_f1be3da003_o.jpg	Uploader: Admin User	Not used in any courses		image/jpeg	119 KB

Below the table, there are two links: [show only my materials](#) and [add new public material](#).

At the bottom of the page, it says: "Currently logged in as: [admin](#) Roles: Administrative User" and "© SEOS Project 2008 - 2009".
